The norms should also be such that no consumer shall generally have to travel a distance of more than 3 kilometres to the nearest FPS. The distance will be certified by the Public Distribution Committee (PDC), headed by the Deputy Commissioner of the district concerned. The PDC shall forward only such cases to the Director Food, Civil Supplies & Consumer Affairs, H.P., Shimla for relaxation from the Government of H.P. that have population coverage of less than 1,500 or 1,000 as the case may be. 2. Independent Kerosene Oil depots will henceforth not be permitted and Kerosene Oil depots will be a part of the regular FPS.

In case no relaxation is required, the PDC may issue notice for opening the proposed FPS at its own level. Where relaxation is required, PDC shall issue notice for opening the proposed FPS only after such relaxation has been received by the PDC. The notice may also be affixed in /outside the campus of a Govt. School within the area of proposed FPS, and also affixed on other community buildings such as Mahila Mandal Bhawan/Yuvak Mandal Bhawan etc. The notice may also be fixed on the notice board in the offices of the SDM, BDO, District Controller FCS&CA and Inspector FCS&CA. - |                     |          |
|---------------------|----------|
| 1. Matriculation    | 5 marks. |
| 2. Higher Education | 2 marks. |

- |                  |          |
|------------------|----------|
| 3. Same Ward     | 3 marks. |

Provided that these qualifications shall be applicable for the new FPS and not for the existing holders of FPS.

7. The PDC must, before considering the applications, clearly state whether the norms are met or not. If the norms of population, i.e. 1,500/1,000, or distance, i.e. 3 kilometers, are not met and a second shop is sought to be opened, then even before recommending the case for relaxation, the PDC must give specific reasons for recommending relaxation.

8. Whenever any new FPS is proposed to be opened by splitting the consumers of any existing FPS, or any other mechanism affecting the consumer card count of any FPS, opportunity of being heard shall be given to all such affected persons. However, no such opportunity may be given where the population norm of the existing as well as the proposed FPS is independently being fulfilled.

9. A branch may be opened by the existing FPS holder in the area by splitting of existing consumer cards of the existing FPS to provide easier access to the consumers, with the prior permission of the PDC, subject to the condition that the branch shall also function like the general FPS one working day in a week. On this day the existing main FPS may remain closed.

10. Before opening any FPS, the financial viability of the proposed as well as the existing FPS shall be considered, especially with regard to the profit margins allowed by the Govt. from time to time. It must be kept in mind that operation of the FPS is a legal mandate and a public service, and persons purely driven by the profit motive should not normally apply.

11. Where relaxation is required, the case shall be sent by the PDC with full justification. The case shall be examined at the level of the Director, who shall then send the case to the Govt. with his recommendation.

12. In case the FPS is being proposed to be given to the legal heir of any holder due to the death of the holder, the detailed case with justification shall be sent to the Director. The Director shall forward the case to the Govt. for approval with his recommendation.

14. Every Gram Panchayat shall have at least one FPS regardless of the criteria given in these guidelines.
